

Order option available soon!

Dear Parent / Carer

We are looking forward to providing you with the School Food United system where you can order your school meals, manage your accounts and top up online.

Please note your menu is not available yet as this is still being created.

You will still be able to register and link to your child. When your menu is available to begin placing orders you will be notified by your school

If you have not already registered, please go to [Sodexo | Parent Portal \(schoolfoodunited.com\)](https://schoolfoodunited.com) and register your account.

Please do contact us if you have any queries.
